

Merging Great People with Great Projects

Concrete Flatwork Services

Commercial and Residential Concrete Work

Concrete Flatwork Division

For over 15 years, RJM has built a skilled and trained concrete flatwork crew. From planning to completion of your concrete project, you will experience the RJM commitment to excellence with quality materials and craftsmanship and exceptional customer service.

Why Contract RJM for Your Concrete Project?

Clients can rely on RJM Construction for a quality finished concrete project. Our crew has over 15 years of concrete experience to ensure jobs of every size are completed at the highest level of quality. From pouring basic slabs to adding decorative touches, RJM's crew will provide you with the highest quality craftsmanship for any type of concrete project:

- Garage slabs
- Driveways
- Sidewalks
- Patios
- Stamped/decorative flatwork
- Preparation for hydronic heating systems

Discover the RJM Commitment

RJM's commitment to excellence utilizes a team focused approach to ensure successful completion of commercial and residential projects. With experience in key aspects of construction such as carpentry, masonry, concrete flatwork, and excavation our team knows the importance of seamless project coordination and is able to complete your construction project on time and on budget.

See how RJM has been delivering on this commitment for over 15 years and what makes RJM Construction the right choice for you. Contact us today at 920.984.3103 to discuss your project or visit us at www.rjmconstructionllc.com to see the RJM advantage!

The RJM Advantage:

- Trained flatwork crew with over 15 years of experience
- Wide ranging services from pouring slabs to decorative stamping
- Concrete flatwork services as part of a larger project or alone
- Insured and bonded to the highest industry standards
